Please Note: Electronic Service per email between respondent parties involved in a current or future legal dispute in South Africa or the United States is lawful in terms of (I) the South African Electronic Communications and Transactions Act, 2002 (Act No. 25 of 2002) and (II) Federal Rules of Civil Procedure Rule 4(f) which allows for service “by other means not prohibited by international agreement as directed by the court,” as implemented in *Rio Properties, Inc. v. Rio Intern. Interlink*, 284 F.3d 1007 (9th Cir. 2002) which established that e-mail was an effective means of communication between parties, and that messages sent to the respondents would serve the purposes of notifying them of the pending litigation. Moreover, there is no indication that service in this manner would contravene any international agreement. Finally courts “have upheld service via e-mail, [in] cases involving e-mail addresses undisputedly connected to the defendants and [or] that the defendants used for business purposes.” (*Ehrenfeld v. Bin Mufouz*, 2005 WL 696769 (S.D.N.Y., March 23, 2005)).

Cross & Fanie Botes, Millers Inc, George; violations of inter-cultural ‘protected cultural property’ principles in GMC 2578-14 court proceedings.

Summary of Correspondence

Issues covered:

- Radical Honoursty Ecology of Peace culture
- War is Peace Culture Org’s: Norwegian Medical Assoc & Cape Law Society
- Acting MILED Clerk’s Protected Psychological Integrity cultural property
- For the Inter/Intra Cultural ‘Free and Fair Trials’ Record & Eco-Psychology
- George Magistrates Court 2578 EoP –v- WiP Proceedings.

Requests:

Could the Norwegian Medical Association and the Cape Law Society kindly inform your members that the destruction of intercultural protected cultural property is conduct prejudicial to the maintenance of inter/intra cultural good order and discipline: If your War is Peace culture members Dr. Moe and his legal representatives assert that their allegations of individuals from other cultures to be suffering from ‘mental disorders’ is based upon scientific evidence, as opposed to cultural dogmatic beliefs about ‘normality’, and have any scientific based evidence for any alleged ‘mental disorder’ of any individual from any culture other than their own War is Peace culture’s, they should honourably provide their legal scientific definitions, and their inter-cultural scientific evidence in an inter-cultural court of law; or if they consider themselves honourable: to retract their statements.

If your respective members, namely Dr. Frode Moe and his legal representatives from Millers Inc: Mr. Arno Cross and Mr. Fanie Botes assert that Dr. Moe’s allegations irregularly submitted into the GMC 2578-14 court record, of the Acting MILED Clerk’s alleged ‘mental disorders’ were statements about Dr. Moe and his representatives legal intentions; please take notice that:

This correspondence requests the aforementioned War is Peace cultural licensing organisations, namely the Norwegian Medical Association and the Cape Law Society, to:

1. Inform the Acting MILED Clerk by 17:00 hrs (GMT+2) on 01 August 2014, of the organisation or arbitration body and such organisations specific juridical individual whom your respective medical and attorneys members approve of as an impartial arbitrator to resolve this matter, based upon scientific evidence; including proof of the said individual’s intercultural commitment of being willing to listen to, and impartially consider the evidence and arguments of an individual from an Ecology of Peace culture.
2. Take Notice that MILED Clerk Applicant is willing to accept and consent to the arbitration jurisdiction of the following South African juridical officials who although juridical members of War is Peace cultures, have proven themselves willing to listen to and consider the evidence and arguments of an individual from an Ecology of Peace culture: SA Judicial Service Commission Juridical Officials: George District Court Magistrate Essel (EoP-WiP culture impartiality: 22 July 2002 (PDF⁵)) and/or former SA Concourt Chief Justice: Sandile Ngcobo (EoP-WiP culture impartiality: 03 May 2010 (PDF⁶))
